Strengthening Local Emergency Rescue

UNITED WAY OF THE COALFIELD COMMUNITY IMPACT PROJECT 2025

United Way of the Coalfield is proud to fund a \$10,000 shallow-water rescue boat for the Hopkins County Long-Term Recovery Group—helping emergency responders reach water emergencies faster across Hopkins County and neighboring communities.

A Message from the Executive Director

Thank you for investing in the United Way of the Coalfield throughout 2025. Your generosity—whether through time, resources, or financial support—has strengthened our communities in countless ways. Because of you, families were supported, programs were funded, and hope reached every corner of Caldwell, Hopkins, and Muhlenberg counties.

Our work is only possible because you choose to stand with us. To our community members, partners, and local industries: thank you for believing in our mission and for helping us create lasting impact.

With gratitude,

Ashley Alexander
Executive Director, United Way of the Coalfield
